In re Patent Application of:

FRUHAUF ET AL.

Serial No. **10/775,728**

Filing Date: **February 10, 2004**

Assignee hereby disclaims, except as provided below, the terminal part of any patent granted on the '728 Patent Application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173, as presently shortened by any terminal disclaimer, of any patent granted on co-pending Patent Application Serial No. 10/388,067. Assignee hereby agrees that any patent so granted on the instant '728 Patent Application shall be enforceable only for and during such period that it and any patent so granted on the '067 Patent Application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the Grantee, its successors or assigns.

In making the above disclaimer, Assignee does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 and §173 of any patent granted on the second application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior
